We Need Your Help

We are always looking for ways to promote your child's school, either via media, local events and through Facebook and our website. There is now a link called 'Parent View' on our website under the 'Performance' header that enables you the parents to add your own positive views and opinions.

Open Door Policy

If you have any problems that need to be discussed with the Headteacher please call or pop in to the office and if Mr Minott is not available straight away, we will book you an appointment to see him.

Absences & Medical Evidence

There appears to be some confusion about what is required if we have asked to see medical evidence when your child is absent from school, due to illness and has seen a doctor or dentist.

All that we ask you to provide is an appointment card from the receptionist, we are not asking you to pay for an official medical note. Medicines that have been prescribed and have the chemists label on are also sufficient as evidence. If your child has a hospital appointment, the appointment letter is sufficient as evidence.

If your child is absent for more than 48 hours due to illness, it is your responsibility to call the school office to update us on your child's recovery and when they will be returning to school.

INAPPROPRIATE USE OF SOCIAL MEDIA

If you have any problems or complaints with anything relating to Chase View Primary School, please come and see Mr Minott or your child's class teacher in the first instance.

We kindly ask that you refrain from putting derogatory comments or statuses on social media sites. Thank you.
