

## Governors' Corner

Dear Parents and community,

I hope you are all keeping safe and taking care of each other.

I can't believe that we are now part way through the second half of the Summer term. It has truly been a very strange time for all and not one that any of us would have ever dreamt of.

I would first like to say a massive thank you to Mr Minott, Mrs Dixey and the entire school team for all their hard work and dedication to all within the Chase View family. I'd also like to say a massive thank you to all of you for all the help and support you have shown towards the Chase View team but also in supporting your children not just academically but also emotionally through this extremely difficult and unknown time.

I think we have to take this opportunity to say a huge thank you and well done to all of the children as they are true heroes: missing family, friends, school, a lack of "normal" routines and structure to their day - and the majority of the time dealing with it all, with a smile on their faces.

The staff have loved seeing all the work and activities that the children have been sharing with them on Class Dojo, these include completing the daily tasks, to baking, arts and crafts, bike rides and so much more. I know they have really missed seeing the children's faces so I do know these updates from you are very important to them.

I am so pleased to report that the school has made great progress this academic year not only in pupil attainment but also progress has been made in all areas of the curriculum. Our pupils and staff have truly made us proud!

There continues to be a lot of work going on behind the scenes, by all staff and the governing board, to ensure that we as a school are ready to open back up to all our children - following all government guidelines - when we are able to do so safely. This situation is continuously reviewed and assessed.

Governor meetings have continued to take place; these have been carried out through video meetings. Governors have also continued to complete training by participating in webinars ensuring that we are continuing to update and develop our skills and knowledge.

Finally, I would like to wish all our year 6 children every success in their new adventure. We are always sad to say goodbye to our year 6 children and their families. We hope they will remember their time with us here at Chase View fondly.

We look forward to seeing you all soon and to continue working together as members of the Chase View family.

Please take care of yourselves and each other.

Bex Kirby

Vice Chair of Governors
