|----------------------------|-------------------------|-----------|-----------------------------|
| Fever (37.8 C or above) | Common | Rare | Common |
| Fatigue - tiredness | Sometimes | Sometimes | Common |
| Cough | Common (usually dry) | Mild | Common (usually dry) |
| Sneezing | No | Common | No |
| Aches and Pains | Sometimes | Common | common |
| Runny or stuffy nose | Rare | Common | Sometimes |
| Sore throat | Sometimes | Common | Sometimes |
| Diarrhea | Rare | No | Sometimes (for children) |
| Headaches | Sometimes | Rare | Common |
| Shortness of breath | Sometimes | No | No |

However, if YOU feel that your child is generally run-down and 'washed-out' unusually for this time of the year then please take the responsibility in deciding whether they should come to school or not.

If they come to school, we will monitor them if the non-covid symptoms are mentioned. All children are encouraged to use the preventative measures to help minimise the spread e.g. catch it, bin it, kill it.
