

# Behaviour – COVID 19 Addendum

Review: Aut 2022

At Chase View Primary School we aim to maintain a secure, caring and stimulating environment in which children are encouraged to have respect for themselves and each other. Whilst expectations in our Behaviour Policy remain pertinent, it is necessary, in light of the Covid-19 pandemic, to make some adjustments for the safety of all pupils and staff. It is to be used in conjunction with, and read alongside, the Behaviour Policy.

These adjustments are set out below: Arrivals, Departures and Moving round the school. Children will enter school through their designated entrance at the agreed time. Children will enter and will go straight to their classroom.

At their designated home time, children will leave the building from their designated exit. They will leave at a time when their parent has come to collect them. Movement around the school will be limited.

Children will be expected to tell a member of staff if they are unwell and are exhibiting signs of Coronavirus. Children must have a responsibility for their own equipment e.g. water bottles and ensure that these are not shared with other pupils.

### Hand washing and Hygiene

Children will be expected to follow all hand washing and hygiene routines while in school. Children will wash hands /use antibacterial gel as directed by teachers and adults. We ask children to follow the catch it, bin it, kill it, mantra when in school, if they need to cough or sneeze, they should use a tissue or crook of their arm. Children will be reminded not to touch their face, mouth, nose or eyes while at school. Should a child refuse to follow these routines, disciplinary procedures and sanctions will be used.

### Social Distancing

Children who are old enough will be expected to socially distance from their peers and adults in school and on the playground/field at all times. When children enter their classroom, they will be expected to go straight to their table and nowhere

else in the room. Teachers will ensure that pupils, where ever possible, adhere to social distancing measures. Where older pupils are not complying, the usual disciplinary procedures and sanctions will be used. We understand socially distancing may be more difficult for younger children, they will be encouraged wherever possible to keep a distance from peers and adults, however, we understand this may not always be possible.

### Toilets

Bubbles will have their own toilets to use. Children will be supervised and encouraged to use the toilets two at a time (this may not always be possible with reception children). When a child has finished in the toilet they must wash their hands.

### Break times

Children will have a designated place to play during break times. Children will be expected to remain within their play bubble. Children must stay in their designated area at all times.

### Rewards

The Dojo system will be in use during Covid-19. Teachers and Teaching Assistants welcome opportunities to praise individuals for good work, attitude or good behaviour, and show recognition, if these are brought to their attention. Above all praise and encouragement should be used as much as possible.

There will be no PROUD assembly. However, Dojo boxes will be collected and names drawn for the Dojo award. The winners will have photographs taken and posted on the Class Dojo platform for parents and carers to see. PROUD certificates will be awarded by class teachers, with teachers taking a picture and posting on the Class dojo platform.

### Behaviour in school

If a child's behaviour is deemed high risk, for example, refusing to adhere to safety measures, such as, hand washing, social distancing, remaining in their bubbles or deliberate behaviours that put themselves or others at risk, such as spitting or deliberately coughing at people, the following sanctions and disciplinary procedures could be used:

1. Conversation(s) with pupil(s) which could include a verbal warning, moving seats if logistically possible and other behaviour management strategies in line with our current behaviour policy.
2. Once all appropriate behaviour management strategies have been exhausted, contact should be made with pupil's parent/carer.
3. If the health and safety of other pupils and staff members are put at risk by the pupils not adhering to social distancing measures, then the parent/carer will be expected to collect the pupil and a fixed term exclusion will be applied in line with Exclusion guidance.

### Pupils with Special Educational Needs

School acknowledges that children will have had a range of different experiences during the lockdown period which may have an impact on their behaviour presentation upon return to school.

Some may present with frustration as a result of being isolated from friends or having missed a significant event or experience; e.g. school trip, etc. Others may have experienced bereavement or loss or another, real or perceived, traumatic episode.

For many, the process of re-engagement with learning and the school community, under unusual circumstances, may require some additional input and encouragement. As a result of these varied experiences children may present with behaviour that is not usual, this may include;

- Anxiety; lack of confidence
- Challenging behaviour; fight or flight response
- Anger; shouting, crying
- Hyperactivity and difficulties maintaining attention

For some children, including those with attachment concerns or SEN, and especially those with autism, the change in routines and lack of familiarity will require additional adjustment.

School recognises that behaviour could be a sign that for some individual children there is an unfulfilled need and that the behaviour is communicating that there is a problem. The school will undertake an individual risk assessment for the child and use reasonable endeavours to make the necessary adjustments to reduce the stimulus that may be triggering the challenging response.

Children with SEN are recognised as being particularly vulnerable and therefore have an urgent need to be re-integrated back into school as soon as reasonably possible. School will work closely with parents to implement supportive strategies that will inform an appropriate response.

If necessary school will seek external support from other agencies such as Educational Psychologists or Early Help. Pupil's working from home. If interacting with other pupils or staff online, students should always be kind and respectful to each other and respectful and obedient to staff, remembering at all times that that staff are not 'friends' with, or peers to, pupils.

Children should never attempt to contact staff via social media or make comments about staff on social media platforms. Any inappropriate comments to staff online, via Class Dojo / Purple Mash, or any other platform will be taken very seriously. This is also the case of for any online bullying towards other pupils or peer-on-peer abuse that is disclosed to the school during this time.
