

Governors Corner

Welcome back and I hope everyone enjoyed their Easter break. The weather is certainly lovely right now.

Governors are meeting regularly via zoom and are kept up to date by the Headteacher via phone and email. We are looking forward to being able to meet face to face and visit the school again soon.

We are very grateful for the applicants we have received regarding our parent governor vacancies and hope to introduce our new members soon.

Up to date training is vitally important in governance, and as chair, I am pleased to tell you I am currently working through the NGA's programme in Leading Governance. Your board regularly completes training reviews to ensure we are fully competent in our role.

I'd like to share with you our updated vision for Chase View:

We believe in developing pupils' love of learning and appreciation of nature so they can leave Chase View equipped to be lifelong learners.

We provide a broad and balanced curriculum, with reading at the heart. We are creating the next generation of authors through our phonics and writing programmes. Numeracy isn't just about maths here! Our forest school, animals and location to Cannock Chase encourage pupils to develop their self-esteem and love of nature so they have experiences and the confidence to use their individual talents, skills and knowledge effectively.

Dedicated teachers encourage dedicated learners. We have enthusiastic and emphatic teachers that provide a happy, stimulating environment that encourages each child to reach their full potential and strive for excellence in all areas of school life.

We value the partnership which exists between school, parents and community and the part it plays in realising this vision.

Stay safe and enjoy this lovely weather,

Kind regards,

Candice Yeomans
Chair of Governors
