IMPORTANT INFORMATION

It is important that we bring to your attention that it is a legal requirement for all children aged from Reception Class onwards to attend school every day, attending for the correct school hours.

The school is required to report attendance numbers to the Education Welfare Officer and forms part of the pupil's education record.

You should always be aware that any absence from school will affect their educational development.

We understand that there are times when a child is too unwell to attend. If a child will not be attending on that day then a call to the office is needed by 9am.

If the illness is Sickness or Diarrhoea the pupil must be kept away from school for 48 hours from the last bout of illness.

If the child requires medication during the school day then an instruction slip must be completed and signed at the school office before medication can be given.

If a pupil has to attend a medical appointment during the school day then please provide evidence at the school office.

*If you must take your children out of school for holidays then a holiday request form should be completed.
This can be collected from the school office.*

School Holiday dates for this academic year can be found on the next page for you to be able to consider your future holidays.
