COVID-19 Notification

Dear Parents,

As you have no doubt gathered COVID infections are on the rise across the County as well as nationally. I will be re-introducing measures to reduce the spread of the virus at Chase View:

1) It is my preference that we keep siblings and cousins of positive family cases at home. PCRs are used to confirm negative or positive cases please.

2) New and out-of-the-ordinary coughs and temperature rises in yourself and children needs to be addressed with an LFT test before continuing to send children in to school.

3) Reminders to LFT test will continue to be sent via text messaging.

4) Contact with teachers and the office staff via dojo, or telephone so that we can reduce the amounts of adults on site.

I will keep you all posted on further protective measures as I see necessary.

Thank you all.

Contact Information Sheet

We have had great response to the information sheets being
completed and returned to school to school this week.

We still have some outstanding and would be grateful if you would
complete these as soon as possible and return them to school.

The information we hold on our system needs to be correct
especially in the case of an emergency.
