

Governors' Corner December 2021

As the school term draws to close and we say goodbye to 2021, I wish to say a heartfelt thanks to all of Chase View's hardworking staff, children and community. Unfortunately, our autumn term saw more disruption due to covid and of course, snow in November!

Whilst thinking about what to write to the Chase view community, I started to reflect on how much life has changed these past two years. As a parent myself, I am amazed by how much my children have grown, not in height, but in their ability to adapt to the constant changes around them. One positive impact the pandemic has had, is on their resilience. And it is true of all the children. They have taken a challenge and turned it into a strength!

Not all change is bad and everyone at Chase View has used it to make positive impact. Walking around the school, its lovely to feel the energy that everyone gives to learning. I am excited to see the impact the future generations will have on the world.

I hope you all have a lovely Christmas break and enjoy seeing in the new year,

Candice Yeomans

Chair of Governors
