## Week 19

Week Ending Friday 14th January 2022

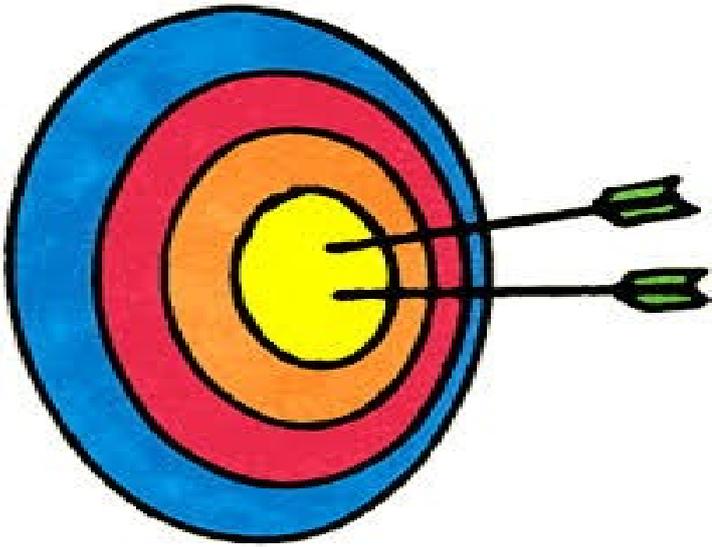

With the ongoing situation of covid-19... The following precautions will continue to be in place:

- i - Mask wearing when outside meeting teachers or collecting or dropping off children to school.
- ii - Still encourage good hand hygiene (whether that be in hand washing or sanitising).
- iii - Good ventilation in classrooms—wherever possible
- iv - On PE days children to arrive already changed BUT we will be stricter on the inappropriate clothing that has started to creep in.
- v - We will encourage parents to contact teachers via dojo, telephone or socially distanced meetings (preferably outdoors or in large airy spaces).
- vi - Regular text messages will be sent to remind us all to keep testing.

The basic message is still to be vigilant and as socially distant and hygienic as possible.

## REMINDER

# PARENT PAY

Although chasing outstanding payments is not a popular task, it is very important that the school gets payment for the services it has provided.

It is these funds that ensure that the school can operate for your children, and only fair that everyone pays what is due.

For most people the amount outstanding just represents charges for the last few weeks, but for others the money that is outstanding has been

due for several months and can be a large amount.

To keep you regularly informed we will be sending monthly messages to let you know the position of your account.

If you receive a message from us saying that there is money due, please do not ignore it.

If you feel that it is wrong please contact us.

If you agree to the amount please settle your account.

We appreciate all parents that monitor their Parent Pay account and pay promptly and regularly.

If you ever have any questions about your account or have difficulties with using Parent Pay please don't hesitate to get in touch with the office.

## Chase View Vision

We provide a broad and balanced curriculum, with reading at the heart. We are creating the next generation of authors through our phonics and writing programmes. Numeracy isn't just about maths here! Our forest school, animals and location to Cannock Chase encourage pupils to develop their self-esteem and love of nature so they have experiences and the confidence to use their individual talents, skills and knowledge effectively.

Dedicated teachers encourage dedicated learners. We have enthusiastic and emphatic teachers that provide a happy, stimulating environment that encourages each child to reach their full potential and strive for excellence in all areas of school life.

We value the partnership which exists between school, parents and community and the part it plays in realising this vision.
