## Week 22

Week Ending Friday 4th February 2022

With the ongoing situation of covid-19... The following precautions will continue to be in place:

- i - Mask wearing when outside meeting teachers or collecting or dropping off children to school.
- ii - Still encourage good hand hygiene (whether that be in hand washing or sanitising).
- iii - Good ventilation in classrooms—wherever possible
- iv - On PE days children to arrive already changed BUT we will be stricter on the inappropriate clothing that has started to creep in.
- v - We will encourage parents to contact teachers via dojo, telephone or socially distanced meetings (preferably outdoors or in large airy spaces).
- vi - Regular text messages will be sent to remind us all to keep testing.

The basic message is still to be vigilant and as socially distanced and hygienic as possible.

## Year 1 Trip

Year 1 have had their class trip to the Toy Museum of Cannock Chase re-arranged for Monday 7th March 2022 .

## Standon Bowers Residential Trip

Has now been scheduled for the week commencing Monday 7th March.

## SCHOOL DEBT

Once again the total amount of money owed to the school has crept to an unacceptably high level.

You would not expect to leave a shop without paying for the goods you are taking. Neither would you be served a drink at a pub or café without paying for it.

### **SCHOOL IS NO DIFFERENT!**

It is not fair to those who do the right thing by paying for services they use if the debts of others are allowed to remain unpaid.

Many people settle their ParentPay regularly, daily, weekly or as they are paid. Thank you.

However, unfortunately there is an increasing number of debts that are weeks and months old, regardless of the regular monthly reminders that are sent out.

The same parents are continuing to use After School Club, Breakfast Club, unfunded Nursery hours, School Dinners, despite what they owe, which is causing their debts to grow!

### **AS A LAST RESORT THESE SERVICES MAY BE MADE UNAVAILABLE UNTIL THE DEBT IS PAID**

If you have any problems using ParentPay or feel the balance is wrong, please contact the school office to resolve the issue or to make payment by cash.

## Chase View Vision

We provide a broad and balanced curriculum, with reading at the heart. We are creating the next generation of authors through our phonics and writing programmes.

Numeracy isn't just about maths here! Our forest school, animals and location to Cannock Chase encourage pupils to develop their self-esteem and love of nature so they have experiences and the confidence to use their individual talents, skills and knowledge effectively.

Dedicated teachers encourage dedicated learners.

We have enthusiastic and emphatic teachers that provide a happy, stimulating environment that encourages each child to reach their full potential and strive for excellence in all areas of school life.

We value the partnership which exists between school, parents and community and the part it plays in realising this vision.
