SCHOOL DEBT

Once again the total amount of money owed to the school has crept to an unacceptably high level over **£2,770!!!**

You would not expect to leave a shop without paying for the goods you are taking.

Neither would you be served a drink at a pub or café without paying for it.

SCHOOL IS NO DIFFERENT!

It is not fair to those who do the right thing by paying for services they use if the debts of others are allowed to remain unpaid.

Many people settle their Parent Pay regularly, daily, weekly or as they are paid.

Thank you.

However, unfortunately there is an increasing number of debts that are weeks and months old, regardless of the regular monthly reminders that are sent out.

The same parents are continuing to use After School Club, Breakfast Club, unfunded Nursery hours, School Dinners, despite what they owe, which is causing their debts to grow!

AS A LAST RESORT THESE SERVICES MAY BE MADE

UNAVAILABLE UNTIL THE DEBT IS PAID

If you have any problems using Parent Pay or feel the balance is wrong, please contact the school office to resolve the issue or to make payment by cash.

WE ARE NOW AT THE END OF THE FINANCIAL YEAR.

PLEASE SETTLE YOUR PARENT PAY ACCOUNT.

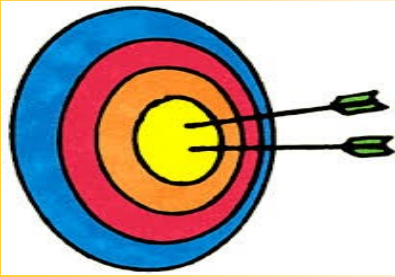

Parent Consultations

Text messages have now been sent out to the parent of each child regarding the face to face consultation meetings.

Within the text is a link and to book the appointment just click on the link, enter the child's first name and select from the available appointments.

If there are any difficulties then please contact the school office.

Chase View Vision

We provide a broad and balanced curriculum, with reading at the heart. We are creating the next generation of authors through our phonics and writing programmes.

Numeracy isn't just about maths here! Our forest school, animals and location to Cannock Chase encourage pupils to develop their self-esteem and love of nature so they have experiences and the confidence to use their individual talents, skills and knowledge effectively.

Dedicated teachers encourage dedicated learners.

We have enthusiastic and emphatic teachers that provide a happy, stimulating environment that encourages each child to reach their full potential and strive for excellence in all areas of school life.

We value the partnership which exists between school, parents and community and the part it plays in realising this vision.
