Plot Point 1 - Buckingham Palace - Start - 56 seconds

Buckingham Palace - gleaming gates, grand gates, burst open, Beefeaters standing to attention opposite one another, row upon row,

Gleaming in the bright sunshine, Her Majesty the Queen and her trusty corgi dog.

Step by step, regally walking

Racing ahead, yapping excitedly, prancing in front

Buckingham Palace, a jewel of the city of London, with its grand gates burst open to reveal Beefeaters standing to attention. Her Royal Highness the Queen stepped out into the sunshine, with her faithful Corgi, Betsy, beside her, yapping excitedly. Betsy strutted through the centre, whilst the Queen walked majestically flanked by the guards. Suddenly a gust of wind whipped around the Queen and gathered her hat, taking it high above the gates. One Yeoman of the guards, fell out of line and chased after it.

Suddenly, a gust of wind

Unexpectedly

All of a sudden,

Floating off over the gate
