## Year 4 Lego Club

Registration will be at 8.30am.

Please ensure your child is in school early that day as the coach will be leaving at 8.40am prompt (there will be no waiting for late children)

We will be back here just after lunchtime so the children will have to

option of eating their pizza or alternatively they will need a packed lunch.

School uniform will need to be worn and your child will need to bring a drink to take with them.

## After School Club

From Monday 6th June 2022 the After School Club fee's have been increased to £5.00 per hour.

# Be aware!!

On Monday of this week the breakdown of debt was as follows:

After School Club - £713.36 with 45 parents owing!  
Breakfast Club - £174.44 with 20 parents owing!  
Dinners - £890.30 with 51 parents owing!  
Nursery/Pre-school - £1300.40 with 14 parents owing!

**Total owed to the school - £3078.50**

Regardless of our constant reminders debts are not being paid as they should be.

This cannot continue.

This school cannot afford to provide services that are not being paid for.

The normal monthly reminders will go out and where the debt is not paid, and no contact is made with the school to explain, the services will be made unavailable until the debt is cleared.

We have been very lenient and given plenty of warning that we would take this approach.

If you owe the school money be prepared to be told that After school Club, Breakfast Club, Nursery provision and dinners will no longer be available until the debt is settled.

If you believe your balance is incorrect or you have issues with Parent Pay please speak to the school office.

Thank you to those parents who have been on and cleared their Parent Pay accounts.

# Chase View Vision

We provide a broad and balanced curriculum, with reading at the heart. We are creating the next generation of authors through our phonics and writing programmes.

Numeracy isn't just about maths here!

Our forest school, animals and location to Cannock Chase encourage pupils to develop their self-esteem and love of nature so they have experiences and the confidence to use their individual talents, skills and knowledge effectively.

Dedicated teachers encourage dedicated learners.

We have enthusiastic and emphatic teachers that provide a happy, stimulating environment that encourages each child to reach their full potential and strive for excellence in all areas of school life.

We value the partnership which exists between school, parents and community and the part it plays in realising this vision.

## Attendance Matters

Every Day Counts....

**Attendance:** as a school we are working hard to address the gaps in knowledge caused by the pandemic. To do this we **NOW** need excellent attendance from all of our children during term time. The table below illustrates how quickly attendance can deteriorate even after just 5 days and the lost learning time!
