Chase View Vision

We provide a broad and balanced curriculum, with reading at the heart. We are creating the next generation of authors through our phonics and writing programmes.

Numeracy isn't just about maths here!

Our forest school, animals and location to Cannock Chase encourage pupils to develop their self-esteem and love of nature so they have experiences and the confidence to use their individual talents, skills and knowledge effectively.

Dedicated teachers encourage dedicated learners.

We have enthusiastic and emphatic teachers that provide a happy, stimulating environment that encourages each child to reach their full potential and strive for excellence in all areas of school life.

We value the partnership which exists between school, parents and community and the part it plays in realising this vision.

Attendance Matters

Every Day Counts....

Attendance: as a school we are working hard to address the gaps in knowledge caused by the pandemic. To do this we **NOW** need excellent attendance from all of our children during term time. The table below illustrates how quickly attendance can deteriorate even after just 5 days and the lost learning time!
