

Chinese Line Art

Key Vocabulary	Definition
Linear	Extending straight or nearly straight line.
Mediums	Thing you can use to mark make. Chalk, ink, pencils, paint including-watercolour, acrylic and poster.
Calligraphy	Decorative handwriting.
Hanzi	Chinese characters developed for the writing of Chinese.
Layer	To go on top of a surface

Watercolour techniques

Blotting-removing wet paint with a cloth.

Dripping- dabbing paint, slightly tilting work and allowing gravity to work!

Paint onto wet- apply water first then drip watercolour onto the wet areas. Adding more than one colour will allow the colours to merge together.

This is an example of calligraphy.
